Paralegal Job Bank

Lafayette Paralegal Association, Inc. would like to assist its members while assisting the legal community in filling available paralegal positions, as well as other law office or law related office positions; whether full-time, part-time, temporary, or contract positions. In furtherance of this goal, LPA maintains a job bank service available to all LPA members.

The job bank is confidential and the information regarding available paralegal positions is available **only** to **current** LPA members! LPA members may obtain information regarding available positions at any time by logging on to the LPA website (www.lpa-la.org). Members are encouraged to share information regarding non-paralegal positions with non-members that may be interested in those positions.

We encourage all employers seeking a paralegal or other office personnel to provide the job requirements and any other relevant information by sending an email via the "Officers/Contact" page of the LPA website, or by US mail to the following address:
